

Dear Donor,

Thank you very much for your consideration to support and provide donations to our organization. The Northgate Choral Music Boosters work hard to raise needed funds for our vocal music programs. Every year our program is at risk as budget cuts are constantly made. Your donation makes it possible for us to continue to provide a high quality education and experiences allowing our students the opportunity to learn and grow. Research shows that children involved in the fine arts do better academically, socially, and emotionally. We rely heavily on community support and because of your generosity, the Northgate High School Choral Music Boosters will have the opportunity to support our students allowing them to compete, perform in our community, and provide a top rated art education. We very much appreciate the commitment you have made to help maintain our choral programs at Northgate High School.

Again, thank you for your support!

Sincerely,

Choral Music Booster President
Northgate High School
